

Coming LIVE from the North Charleston Coliseum in Charleston, South Carolina, Dr. Jeremiah and Turning Point Ministries present a live prophecy event surrounding the event in the future that will hit the headlines as no other story ever has—the Rapture.

Dr. Jeremiah will examine the Rapture and give a definitive answer to the questions surrounding The Great Disappearance. What the Bible says, what it means, and what it means for you! Two incredible days of inspirational Bible prophecy teaching that will motivate you to live for Jesus like never before!

Plan now to join Dr. Jeremiah LIVE and in person for one or both sessions: Friday night, October 6 and Saturday morning, October 7 for this worldwide event that will unpack the biblical truth about the Rapture and how this prophetic event can bring hope and power into how we live our lives each day!

For more information about this event, visit [www.davidjeremiah.org/LIVE](http://www.davidjeremiah.org/LIVE)

Seating is general admission (first come first served). Parking is \$10 per car (maybe more for a large van). There is a lot of additional information on their webpage under FAQ. If you do not have access to the internet, please call the church office with any questions and Teresa will try to answer them. ### PBs Proclamation!

What is a hero? A good definition would be: a person who is admired or idealized for courage, outstanding achievements, or noble qualities. Nowadays, many might say that a professional athlete, movie star, or musical performer would be an example of a hero. When I think of a hero my mind goes not to the rich and famous but to those who humbly serve. Jesus (obviously) is the biggest hero I know and is the picture of a servant. A self sacrificing servant is someone who puts their life on the line to help others. I can think of no bigger heroes in our community than our first responders.

A first responder includes: a firefighter, law enforcement officer, paramedic, emergency medical technician, or other individual paid or volunteer who is authorized to respond in a crisis situation. For our corporate prayer time on September 6th we are going to pray for the men and women that are first responders in our community. In addition we will take a time to remember those that lost their lives on 9/11/2001. Many died that day. I vividly remember people running away from the World Trade Center. **These first responders ran to the crisis.**

On September 17, Dr. PJ Dunn will be with us. Dr. Dunn serves as a Discipleship Consultant for the Georgia Baptist Mission Board. He will be preaching and teaching us some principles for effective discipleship. After the message we will be hosting Table For One a lunch and learn. This will be open to all single adults in the church. To RSVP please contact the church office by September 14th. You may also email Teresa Armstrong at [tessarm1056@gmail.com](mailto:tessarm1056@gmail.com)

September is going to be a great month in the life of our church. Our sermon series for the month is called Minor Prophets Major Messages. We will be looking at three of the twelve minor prophets in the Old Testament.

Just as a friendly reminder do not tell your suitcases that there will be no vacation this year. Otherwise you will be dealing with emotional baggage.

A great time was had by all. Tina, of course, did Harbour Lake proud when she sang our National Anthem. And, we beat the Cannon Ballers 5 - 2! WOOT! WOOT!

## AWANA STARTS 10 SEPTEMBER

Awana offers a curriculum that reaches kids and their families with the gospel. Our proven and adaptable curriculum develops leaders and disciples kids to walk with Christ for life.

Cubbies® celebrates the spiritual potential of preschoolers (3- to 5-year olds) by helping them develop respect for God, His Son and His Word. Kids learn basic truths about God, Jesus and salvation through fun handbooks, picture teaching cards and more. Cubbies has two years of curriculum: HoneyComb and Appleseed. These flexible lessons, awards, games and teaching plans come together to create a welcoming space for kids to learn and grow. Non-competitive games build excitement and reinforce Story Time lesson themes.

An elementary ministry, Sparks® ignites the curiosity of early elementary-age(K- 2nd grade) kids to learn about the people and events of the Bible, building a foundation of wisdom for knowing Christ. Take kids on a chronological trip through Scripture. Children in Sparks learn memory verses and about people in the Bible. Each handbook features a Bible timeline, 12 exciting Bible biographies and more.

The T&T (Truth & Training) (3rd, 4th, & 5th grades) curriculum teaches kids the truth of God's Word, trains them to follow Him and practice His grace. Kids learn the attributes of God, the importance of biblical theology and the seven "I AM" statements of Jesus Christ from the Gospel of John

Trek is a 3-year program for Middle School students. This program challenges students to wrestle with the three most important questions they're asking in middle school. By allowing students to dive deep into the Scriptures and answer these questions for themselves we allow them to own their faith and discover what they believe. *These 3 studies answer the questions: Who Am I?, Why Am I Here? And Who's With Me?*

*If you are able to help, please see Tina Phillips as soon as possible so we can get a background check done for you (if one wasn't done for you for VBS).*
