

Dear HLBC Family,

Just a few reminders about upcoming events.

First, don't forget about our 'Worship In the Park,' this Sunday morning, March 20<sup>th</sup> 2022 at Wannamaker Park, 8888 University Blvd. N. Charleston, SC 29406. We will be at the **Magnolia Shelter**, across from the lagoon and close to the playground and seasonal sprinkler, the 1585 sq. foot Magnolia shelter has a capacity of 100 people, offers two charcoal grills, picnic tables (one of which is wheelchair accessible), ceiling fans, accessible restrooms, and accessible water and electricity. There is also an adjoined, enclosed serving room equipped with air conditioning, microwave, refrigerator, freezer, and serving window.

The cost to enter the park is \$2.00/person, children 2 y.o. and under are free. The price of admission includes the picnic tables, playgrounds, walking trails a person can bike on, fishing streams, and a large water area. we recommend that you bring a folding chair. Below is a map of how to get there once you're in the park. There will be no services at HLBC that day, so please come join us in fellowship and bring someone with you.

If you were not able to sign up to bring something, please don't worry about that!!! You just come on and enjoy the fellowship. It will be nice to be outside after being cooped up for so long!!! We have plenty of food, so if you would like to, please bring someone with you!

Next, Easter is quickly approaching and don't forget, Easter Sunday, April 17<sup>th</sup> is Bring a Friend Day!! Easter, Christmas, and Mother's Day are the three times each year when people who are not regular attenders will come to church. So, invite someone to come to church with you that day. They are more likely to say *"Yes, I'll come with you,"* since it's Easter. I know God can fill up our sanctuary that day if we will just invite 2,3,4,5, 10 people to come with us. Ira has made some business sized cards to use when inviting your friends, family, neighbors

co-workers and complete strangers. You can pick them up in the vestibule at church and I will ask her to bring some to the park as well.

Finally, please remember to continue praying for your Pastor's Search Team. They are working very hard to make sure HLBC calls the man and his family that God has already assigned to our church. They will be ready to begin soliciting and considering resumes within the next few weeks; that's where you all will be more involved in the process. The Team is excited as they anticipate the next chapter in the story of Harbour Lake Baptist Church. I know that you, too, are eager to see God's man installed as your new Shepherd Leader. They will be reporting to you again in just a couple of weeks, exactly where they are in this process. Please know that it is truly my honor and privilege to work with this Team and with all of you in this search.

Ok—that's all for now! Looking forward to seeing you Sunday morning at Wannamaker Park at 10:00 a.m.

Because He Lives and Until All the Nets are Full,

Pastor Jimmy
