

Forty Days of Theology: Day 39
What Will Happen When Jesus Comes Back?

2. Why are there so many theories regarding end times events and what will happen at that time?
3. Define the tribulation.
4. Define the rapture.
5. Of those who hold the premillennial view, the majority favor the pretribulation-rapture view. What are the primary aspects of this view?
6. Describe the post-tribulation-rapture view.
7. What are the primary aspects of the mid-tribulation-rapture view?
8. What happens in the thousand-year period of end times?
9. What happens after the thousand-year period?
10. Read Matthew 13. 24-39 and explain why God waits until the end to separate the righteous and the unrighteous?
11. Do you think anybody really has all the details of the end times figured out? Why or why not?
12. What one aspect of all the end times material we’ve discussed (lessons 37, 38, 39) confuses you the most? Why?
