What an awesome time we all had meeting with our brothers and sisters from Aposento Alto! Listening to Pastor Hector go from Spanish to English and back was incredible, what a talent! Thank you for the special music Mrs. Norma. How inspiring & touching was the story about the Vazquez family's journey to this country from Cuba! Thanks to everyone who cooked; the food was delicious! Here are a few moments from that day.

It is Shoebox Gift time once again! If you want to pack a shoebox, we have several. These gifts go all over the world to children who may not have ever received a gift of any kind in their life. Please pack any of the following items: school supplies, hygiene items, toys, clothes. To get ideas of what to pack look online at [samaritanspurse.org](http://samaritanspurse.org), then click on Operation Christmas Child.

DO NOT pack toothpaste, food of any kind (including candy & gum), anything breakable, any liquids, medicines (band-aids, vitamins, aspirin), any war related items (including water pistol, toy soldiers, toy tanks). Also, please make sure it is a gift that will last a little while, not one that will break the day after they get it, remember these children can't go down and replace it at the local Walmart. If you want to pack a gift on line, go the website and it will take you through the steps. If you have packed a shoebox and you want me to take it to the drop off point for the church, please have your boxes to the church **no later than 13 November**. It costs \$10 to ship a shoebox. If you don't want to pack one, you can donate it in your offering envelope on the "other" line "shoebox gifts". If you have any questions please feel free to call me at 843.797.2982 or 843.991.2204. Thank you, Teresa

Wow! October was an amazing month in the life of our church. As we head into November I often take time to think about all the things I'm thankful for. Billy Graham once said this about being thankful for the

people in our life.

"It is so easy to take people for granted, or even to complain and become angry because they do not meet our every wish. But we need to give thanks for those around us—our spouses, our children, our relatives, our friends and others who help us in some way.

I once received a letter from a woman who began by telling me how fortunate she was to have a kind, considerate husband. She then used four pages to list all his faults! How many marriages and other relationships grow cold and eventually are shattered because of the sin of ingratitude?

Do you let others know that you appreciate them and are thankful for them? The Christians in Corinth were far from perfect, but Paul began his first letter to them by saying, "I always thank God for you" (1 Corinthians 1:4, NIV). When a group of believers (whom Paul had never met) came out to greet him as he approached Rome, we read that "at the sight of these men Paul thanked God and was encouraged" (Acts 28:15, NIV). Thank God for those who touch your life."

With that being said I want to thank you for being my faith family. I want to thank the amazing staff I work with each day (Teresa, Tina, Ira). Thank you to Dulce Brasby for playing the piano each Sunday. Thank you to Travis and his sound team that help us on the tech side. Thank you Deacons for serving us. Thank you to our Sunday school teachers. For Sandy and the work she does as Treasurer and her counting team. Our men's and women's leaders. Our seniors for meeting each week for fun and fellowship. Our teams including fellowship, stewardship, and personnel. Also, just a thank you for everyone that attends and prays for us on a regular basis. I love HLBC and I'm thankful to be your Pastor.

Don't forget we will have a big community wide meal on Thanksgiving Day! Come be with us and serve Goose Creek.

Finally a little holiday humor!

How did the salt and pepper welcome all their guests?

By saying, "Seasoning's greetings!"

## Thank You Pastor Bradley
