

MOTHER'S DAY
 We will be having a parent/child dedication service on Mother's Day, 12 May. This is a time for parents to dedicate themselves to raising their children in the "fear and admonition of the Lord". We will dedicate children from birth up to 12 years if you have not already done so. Please let the office know by the end of April if you will be participating in the dedication service so gifts can be bought, certificates made, and invitations sent out in plenty of time.

It is with a broken heart I have to say goodbye. I have been a member of Harbour Lake since July of 1994 and have been the Church Ministry Assistant on and off (mostly on) since August of 1998. I have no biological family here but you are my Church family. To tell you goodbye is one of the hardest things I've ever had to do. You have helped me through the loss of my sister, my dad, my step-mom, and my mom and with so many other needs through the years. I have been here and mourned with you when we have lost members of our Church family. Jim Brooks & Bill

Brasby were the two people who came to visit me after my first visit. I have watched some of you grow up and have families of your own. I have known some of you from the first time I walked into this church and others for almost as long. You are all so very special to me. There is a part of me that wishes I could stay forever and sometimes believed I would. I often joked about how I would be buried under the next building that was built here.

I am excited about this next phase of my life and where God wants to me to be and what He wants me to do. I think I'll take a little bit of a break at first, but then I have a feeling God will find a place where I can serve again. I will be moving next door to my best friend and hope to help her with her mother-in-law for as long as needed. After that, who knows? There are many exciting things for me to do where I'm going and I'm looking forward to joining some fun groups and getting out of my "hermit comfort zone". I will keep in touch via phone, facebook, bulletins, newsletters, etc., and I will watch our services on line until God leads me to a church there.

Thank you for loving me, being my family, and allowing me to serve with you for all of these years.

*I love and will miss you all,
Teressa*

P.S. My potluck farewell party will be at 5 p.m. on 20 April in the fellowship hall. Hope to see you there. Any questions contact Ira at 843.437.2459.

April is here and I am so excited for our revival. What makes the revival unique is the fact we will be having local Pastors from the surrounding cities here in the Lowcountry. I want to take a moment and share a little bit about each pastor and why I picked each of them.

The first preacher is Marty Middleton. Pastor Marty is the pastor at Fort Johnson Baptist Church on James Island. I brought him on because I have seen his leadership and his heart for the Lord. Last year I had the privilege of traveling to Boston with Marty. If anyone brings him a bakery item he will love you forever! I admire his leadership as he has played a key role in rebuilding the church after a fire.

Tuesday night we have a Goose Creek Pastor speaking. Like myself Aaron Bohrer is new to Goose Creek. He is the Pastor of the International Christian Church. Our church has had a great relationship with the ICC in the past and this will help rebuild the bonds of our brothers and sisters from this church. Aaron is a dear friend and once a month we have coffee with two other Goose Creek Pastors. I admire his boldness to share his faith.

Wednesday night will feature a friend of Harbour Lake. Craig Tuck is the Associational Mission Strategist for the Charleston Baptist Association. Craig preached my charge when I was installed as your Pastor last year. What makes it neat to have Craig is the fact he represents all of our surrounding areas. He wants to see unity among God's people. Craig is so sharp and very intentional with all of our Pastors in the CBA. I admire his dedication to prayer.

Thursday we will enjoy a message from Walter R. Belton. I had the privilege of meeting Walter recently at the CBA couples retreat. Pastor Walter leads the Radiant Church in North Charleston. He has 22 years of Pastoral experience in various parts of South Carolina. Pastor Walter earned the E. A. McDowell Award which is one of the highest awards for service given by the South Carolina Baptist Convention. I admire his desire and burden for preaching the Gospel.

Friday night Moncks Corner will be represented with a familiar face. Pastor Tony Stephens served Harbour Lake for over 13 years before being called to Calvary Baptist. Tony will be a great way to wrap up what I am anticipating will be an amazing week of worship. The first time I met Tony we went to Come Back Shack and shared a burger. I admire his love for missions.

Speaking of Come Back Shack.... I have a great announcement to make. April 15th from 11a.m. - 10p.m. we are having Spirit Night at CBS to raise funds for the Boston Mission Trip. Every time someone goes to CBS and mentions Harbour Lake sent them we will get 25% of the sale. What a great way to support a local business and help raise money for our mission trip.

One final note for my proclamation. I want to thank Teressa Armstrong for many years of dedication to our church. While I am sad she is leaving us, I know God has an amazing blessing in the next season of her life. We love you! Please join us on April 20th as we send her off with an awesome potluck. I have attached a picture of our first staff meeting. I will miss all of your wacky stories and history lessons. Thank you for loving my family this past year.

I love you Faith Family!
Pastor Bradley

This should have given him a clue that I was trouble :)

**VACATION BIBLE SCHOOL
23 - 28 June**

At this VBS, your kids will explore the biblical answers to these questions as they set off on an epic adventure from Genesis to Revelation. Amid sloths, butterflies, river dolphins, and dart frogs, your children will sail along on a fun jungle cruise, stopping at seven ports of call. These ports are the 7 C's of History: Creation, Corruption, Catastrophe, Confusion, Christ, Cross, and Consummation. Kids will discover how these events shape our world, and they will learn to reconnect the Bible to their everyday life.

Prepare to swing into fun as we head out on *The Great Jungle Journey!*

Please see Tina Phillips with any questions or if you would like to help with VBS. We need workers in the classrooms, not just the kitchen. If you are going to work VBS (in ANY capacity) you need make sure you have done your background check and training.
