MOTHER'S DAY

We will be having a parent/child dedication service on Mother's Day, 12 May. This is a time for parents to dedicate themselves to raising their children in the "fear and admonition of the Lord". We will dedicate children from birth up to 12 years if you have not already done so.

Please let the office know by the end of April if you will be participating in the dedication service so gifts can be bought, certificates made, and invitations sent out in plenty of time. Thank you.
