today

6 PM

We are in the second phase of the Building The Future Campaign called

RARE

R.A.R.E. stands for REPAIR AND REPLACE EVERYTHING.

We still have a list of items that need to be replaced or repaired. Please help us in working toward that goal. Our care for the property the Lord has given us should be a reflection of how much we care for Him. Please give your monetary offering to the R.A.R.E Campaign beyond your regular tithes. Thank you!
