Today, October 5, we celebrate the Lord's supper.

1 Peter 2:24 reads, "He himself bore our sins in his body on the tree, that we might die to sin and live to righteousness. By his wounds you have been healed".

As we take this bread and drink this cup together we are proclaiming the purpose of His death, our participation in His death, and we also proclaim the power of Jesus' death.

Let's take this bread and drink this cup with reverence, gratitude, and joy, celebrating all that Jesus has accomplished through His sacrifice on our behalf.
